Fult Combs 26, Seriously Injured In Shooting

Fult Combs, 26, son of the late Herman C. Combs is reported holding his own in the Jenkins Hospital where he was taken for medical aid, after he was seriously wounded in Wise, Va., by a man named Fred Niece, who, according to report, had recently been discharged from an insane asylum in Marion, Va.

The shooting, according to young Combs' family, took place at the "Stone Gables", in Wise, on Sunday afternoon, he stopping there while out on a Sunday afternoon drive. The report states that Niece came to the place with a rifle, stating that he intended to shoot the first person he saw, and about that time Fult Combs appeared and he shot him three times, the bullets going into his abdomen, piercing his intestines.

At the hospital Mr. Combs underwent a major operation, and he was given 8 pints of blood.

Young Combs was employed at the Combs Motor Company. He is married to the former Miss Marie Byrd, and is the father of four children. As the Eagle goes to press his chances for recovery are said to be 50-50.

Reply by Boone Motor Co. To Article In Last Week's Eagle

In reply to article in The Mountain Eagle of last week, headed "suit filed against Letcher County Board of Education," the Boone Motor Company, as one of the defendants in said action, wishes to state as follows:

Thirteen and a half million people are driving Chevrolet cars and trucks today, and no job is too large or too small for Chevrolet trucks, and wherever you see as many as three school buses, one of them will be a Chevrolet, and the taxpayers throughout the Nation, State and County, know this to be a fact. Isn't it a fact, Mr. Price and Mr. Fields, it wasn't the taxpayer you were trying to protect, as stated in the newspaper article referred to, but it was the five or six hundred dollars in profit you anticipated making on the deal? If you are interested as a "taxpayer", why didn't you sue in the name of a taxpayer instead of two competitive dealers. Speaking of taxpayers, I believe by checking records you will find that Boone Motor Company and the writer pays more taxes annually than both of your concerns together.

In Paragraph X, Mr. Price, you stated under oath that you had a second chance to bid you would have bid the sum of \$2150.00 per unit instead of \$2566.98, a difference of \$416.98. Just why is it you didn't offer to save the taxpayer this difference in the beginning? In paragraph VII, Mr. Fields, you stated under oath that had you had a second chance to bid you would have bid the sum of \$2125.00 per unit instead of \$2785.00, a difference of \$660.00. Just why is it you didn't offer to save the taxpayer this difference in the beginning? It wasn't the interest of the taxpayer that was worrying you two gentlemen, but it's the loss of the anticipated profit. You gentlemen, I do know, were not the original instigators of this lawsuit, but were influenced and agitated to file it by a third party, whom we all know, who called one or two of the School Board Members and proceeded to bowl them out and told them that the personnel of the Boone Motor Company were Republicans and didn't vote right.

For many years the Boone Motor Company has carried and sold parts to the Letcher County Board of Education for its buses at a discount of 20% and more. Just how many parts do you carry, Mr. Fields?

You say the bid of Boone Motor Company was \$2273.00 but you failed to take into consideration the fact that that included an extra tire worth \$89.00 included in this price, and if you deduct the price of the tire Boone Motor Company's bid was \$2223—far below that of the next lowest bidder. As a taxpayer, we are glad to have such men as Dr. B. F. Wright, Dr. E. G. Skaggs and Kerney Day as board members, and if we had had such men as members for the past fifteen years we could have built a \$300,000.00 school building at Whitesburg to replace the one now about to fall down, without having to borrow the money and tax the people of Letcher County to pay for it.

We want to thank each and every Board Member who voted aye in awarding us this school bus business, and also

DEATH CLAIMS MRS. B. W. CRAFT OF PRESTONSBURG

On Friday, May 20, death called Mrs. B. W. Craft, of Prestonsburg, widow of the late Ben W. Craft, a well-known minister for many years in Letcher, Floyd and Pike counties.

Mrs. Craft was 82 years of age at the time of her death. She had been active until a few weeks prior to her death, and even though she was in ill health her death was a great shock to her family and many friends, coming rather suddenly.

The body was laid to rest on Sunday, May 23rd near her home after funeral services were held in the little church nearby that had been established by her late husband.

With the passing of noble mothers like Mrs. Craft, a way of life seems to be passing also. One only had to visit her home to realize that there are not many made like her now. She lived to serve others and always made one feel so welcome and wanted in her home, that one hated for the hour of departure to come. Her family was her life and she was like a rock of Gibraltar to turn to in time of trouble and sorrow and yes, in joy. She understood her family and was always to be counted on in any case.

The deceased was reared and lived her entire life in that little neighborhood, and the many who came and attended her funeral, and also the many who sent beautiful flowers were evidences of the high esteem in which she was held.

She is survived by her daughters, Mrs. Gilbert Polly now of Indiana, but lately of Whitesburg, and Mrs. Marvin Marshall of Prestonsburg with whom she made her home. Two sons, Bill of Indiana and Scott of Prestonsburg and several grand children and many other close relatives. Also one sister who lives in the same neighborhood, survive her.

Crippled Children's Clinic June 23rd

On Wednesday, June 23rd, the annual Crippled Children's Clinic will be held in the Methodist Church in Whitesburg. Dr. O. B. Murphy, Orthopedic Surgeon of Lexington will examine all the children who attend.

The Rotary Club of Whitesburg sponsors this Clinic. The Clinic will be held for one day only, Wednesday, June 23rd, beginning at 9:00 A. M.

Thank the one who changed his vote to "no" two or three days later, and any time the school board or anyone else doesn't want to purchase one of our products, no suit will be filed against them because of their failure to buy from us. In fact, it is our honest opinion that should we ever file such a suit as this and the Chevrolet Motor Company get hold of it we would be cancelled out immediately.

There is no record in the State of Kentucky of any such suit as this having ever been filed.

Future Farmers of America Contest

High school vocational-agriculture students can win \$325 in prizes in the 1954 Future of America Contest.

The competition was announced today by W. C. Montgomery, executive secretary of the Kentucky Association of F.F.A., and Barry Bingham, president of The Courier-Journal. The Louisville Times and WHAS, Inc. The newspapers and radio-television station are contest sponsors.

The state winner will receive \$100 to buy farm equipment or livestock as well as an all expense-paid trip to the annual Farm Awards Luncheon in Louisville next spring. He and the district winners will be guests at the luncheon.

A \$25 U. S. Savings Bond will go to the winner in each of the nine F.F.A. districts. Each chapter winner will receive a special certificate. A gold-seal recognition will be sent to each chapter having 100 per cent representation of eligible members in the contest.

October 30 is the deadline for entries. Each Future Farmer must submit a summary of his farming program, projects, leadership accomplishments, high school activities and plans for the future.

One of five contests in the sponsors' farm incentive program, the F.F.A. Contest encourages Future Farmers to become progressively well-established in farming, use good farming methods and practices, and become leading citizens.

Brochures and contest record books have been sent to all vocational agriculture teachers to distribute to F.F.A. members in their classes. Students graduating from high school this spring who are enrolled in vocational agriculture may participate in the competition as well.

Lou Wilfong Honored at Sullins College

Bristol, Virginia, Miss Lou Wilfong, daughter of Mr. and Mrs. A. B. Wilfong of Jenkins, was one of the featured pianists when the annual Symposium Concert was given at Sullins College on the evening of May 4.

Presented by the Piano Ensemble Class under the direction of Dr. C. C. Loomis, the concert included compositions by Beethoven, Schubert and E. German. Seven grand pianos and an organ were used and ten of the advanced music students of Dr. Loomis and Miss Isabelle M. Gemmell participated.

A very gifted musician, Lou is a junior at Sullins majoring in Piano. She graduated from the Sullins Academy last June.

Miss Wilfong was also recognized as the honor student in the Romance Language department at the recent Honors Day Program.

Gold Star Mothers' Tea

The Whitesburg VFW Auxiliary will hold their Annual Gold Star Mothers' Tea at the VFW Post Clubhouse, June 6th, Sunday, 2:00 P.M. CST. All Gold Star Mothers are invited to attend.

The 1954 Whitesburg Post No. 5829, Veterans of Foreign Wars, Memorial Services were very impressive and praised by all who attended them. This was the most successful service since the beginning of these services in 1949. Thirty-four members participated in the visiting of 23 cemeteries during the day.

The Whitesburg Veterans of Foreign Wars sincerely thank those who helped to make it so successful. The jeeps made it possible to visit many cemeteries that would have been bypassed, since it is impossible to get a car to some. This also saved much time allowing the number of cemeteries visited to be increased. These jeeps were loaned to the VFW for the entire day by: Gordon Lewis, Sanders Collins, Harold Hurst, Kenton Fairchild, Claude Collins, Charlie Wright, Lawrence Maggard, Follace Fields, and Lloyd Fairchild.

WTCW, as a public service, gave time from their busy schedule in order that those unable to attend the services at the cemeteries might hear them and learn the purpose of these services, and to pay respect to our fallen comrades wherever they might be, especially those we were unable to attend. The Whitesburg Post No. 5829, Veterans of Foreign Wars, made every effort to visit all fallen comrades of all wars in this area. However, in covering so much territory, it is possible to miss some. The WTCW program should be considered a salute to any fallen comrade or cemetery that the VFW was unable to visit.

The acting Chaplain for the day was Rev. James A. Cole, Elizabethton, Tennessee. His prayers for those who gave so much that we might enjoy our FREE AMERICA were very impressive and felt by all who heard him. It is hoped that he will be with the VFW next year to help with the Memorial Services.

Lunch was served to all those participating in the day's services, consisting of Ham, Potato Salad, Green Beans, Bread, Butter, Coffee and Tea was prepared and served by the Ladies Auxiliary to the VFW. The men of this Post who enjoyed the meal wish to thank the Auxiliary for such a fine serving.

If you are an overseas veteran, you belong in the V.F.W. The members of the Whitesburg Post No. 5829 invite you to join and become an ACTIVE member. Make our community better and our form of government stronger. Help make America more immune against those conditions that breed the foul principles of communism and other subversive forces.

If you are a member in good standing. The VFW invites you to become a member of our drill team and Rifle Squad which will be under the direction and leadership of MAYO ANDERSON the Platoon Sargent. The meetings will be held each Friday at 5:00 P.M. CST at the post clubhouse. All members are urged to participate.

The Whitesburg VFW Auxiliary held their regular meeting Tuesday, May 25th, at the Post Clubhouse. Three new members, Geraldine Hall, Enid Sparks, and Jerry Blair, were welcomed into the Auxiliary. This brings our present membership to 31.

Chinn Appointed To Strip Mine Post

Orville W. Chinn will be the director of the new Strip Mining and Reclamation Commission, Governor Lawrence W. Wetherby announced here today.

Chinn has been director of the Division of Flood Control and Water Usage since 1949. He will be succeeded in that position by Stephen A. Wakefield, of Shelbyville, who has been associate director of the division since 1948, Wetherby said.

The director of the Strip Mining and Reclamation Commission will be the chief executive officer and a member of the commission, which will supervise reclamation of land disturbed by the strip mining of coal. Other members of the commission will be Henry Ward, Commissioner of Conservation, who will be chairman, and A. D. Sisk, chief of the Department of Mines and Minerals.

The commission was created by the 1954 General Assembly. All persons who produce coal by strip mining after July 1 this year must have a permit from this commission, and must carry out a reclamation program on the land affected prescribed by the commission.

Chinn is a native of Beaver Dam, Ohio county, Kentucky. He was graduated as an engineer from the University of Kentucky in 1933, and has had 20 years of engineering experience, most of it relating to soil erosion and water controls. He has been employed by the U. S. Coast and Geodetic Survey, the U. S. Forest Service, the U. S. Soil Conservation Service, the U. S. Army Corps of Engineers and by private construction companies, and operated his own fleet of earth-moving equipment.

He is chairman of the watershed management committee of the Soil Conservation Society of America and a member of the land and water policy committee of the National Water Conservation Conference. He is married, has three children and now makes his home in Frankfort.

The Strip Mining and Reclamation Commission will be attached to the Department of Conservation for purpose of administration and will have officers in that department on the third floor of the Capitol Annex Building.

In addition to the Frankfort office, the commission will establish regional offices in western and eastern Kentucky, Wetherby said. Each will be headed by a field representative familiar with the problems related to that area. This plan was decided upon because the problems connected with strip mining in western Kentucky are quite different from those in eastern Kentucky, the governor added.

TAX COLLECTIONS TO BE INTENSIFIED

State Revenue Commissioner Robert H. Allphin, announced today that his agency will intensify its efforts to collect outstanding tax bills during the next few weeks.

He outlined a threefold purpose behind the program. Overall tax collections have been lagging slightly and the collection of outstanding bills will help fill the gap. The Department of Revenue wants to put tax collections on a current basis along with the pay-as-you-go income tax beginning July 1. Fair treatment for all taxpayers requires that

tax bills be paid within the required period of time.

During the current campaign approximately 5,000 taxpayers owing a total of more than \$300,000 will be personally contacted by personnel of the department's Investigation Division. In addition, the department expects to receive tax payments from approximately 3,000 taxpayers who filed 1953 income tax returns indicating tax due but who failed to pay.

All tax bills may be paid at the Department of Revenue, Frankfort, Kentucky, or its district offices in Ashland, Covington, Lexington, Louisville and Paducah. Checks or money orders should be made payable to the Kentucky State Treasurer.

PROPERTY RECOVERED WORTH \$677,990

Kentucky State Police recovered \$677,990 worth of stolen property during 1953 and was one of the nation's top state police units in stolen cars recovered with 745.

This was revealed in a report issued today by Police Commissioner Charles C. Oldham, which also shows that property worth \$931,377 was impounded last year. Impounded property consists of wrecked cars held for their owners and similar property. According to the report, property recovered during the first three months of 1954 was ahead of that for a similar period last year. The figure for this year was \$183,876, a gain of \$14,812 over the first three months of 1953.

Motor vehicles impounded during the period was valued at \$310,450, or \$110,000 more than for the similar 1953 period.

WARRENT NOT JUSTIFIED

Mere possession of a federal whiskey tax stamp is not sufficient in itself to justify the issuance of a warrant charging a person with violation of the state's local option laws.

The ruling, made by Assistant Attorney General William F. Simpson and given to Taylor County Attorney Fuller Harding, held that possession of the stamp would not be sufficient "probable cause" to justify issuance of an affidavit and warrant.

"A person could purchase and possess a federal stamp at a time when he did intend to sell liquor but thereafter change his mind and probably never traffic in liquor at any time after receiving the stamp or, if he did so, perhaps the time of making sales would be too remote from the time of making the affidavit," wrote Simpson.

STANDARD ADOPTED FOR GAS STORAGE

Standards to guide the liquefied petroleum gas industry in the construction of "firm foundations" which serve as support for containers used for storage of the product in both domestic and commercial installations were announced today by State Fire Marshal J. T. Underwood, Jr. The Fire Marshal urged compliance with the new ruling as being "definitely in the public interest." The law requires that containers used for storage of liquefied petroleum gas rest on "firm foundations." The new specifications are applicable to all approved containers other than those constructed in conformity with the Interstate Commerce Commission specifications which are covered

under other regulations.

The new rules for "firm foundations" shall be of masonry units, mortared or cemented together.

2. The foundation must extend below the frost line, be set on solid level rock or be keyed to rock.

3. The foundation shall be of adequate size to support the maximum load to be imposed.

STATUTES 'CONFUSING'

Zoning laws of the State, particularly those applicable in areas such as Jefferson County, are in a state of "considerable confusion."

Assistant Attorney General Walter C. Herdman held that one statute apparently gives to fifth class cities in such areas the right to zone and assume jurisdiction over the subdivision of all lands located within its limits and for five miles beyond while another attempts to vest such control in the Louisville and Jefferson County Planning and Zoning Commission and each.

IF GOD FORGOT

If God forgot the world for just one day,
Then little children would not laugh and play
Birds would not in the woodlands sing
And roses would not beautify the spring

No gentle showers throughout the summer long,
No autumn fields to cheer the hearts with song,
No rising sun, no moon to give its light,
No placid lake reflect the stars at night.

No friend to help us on the toilsome road,
No one to help us bear the heavy load,
No light to shine upon the pilgrim way,
No one to care, or wipe the tear away

No listening ear to hear the lost one call,
No eye to see the righteous battler fall,
No balm of gilead to dull the throbbing pain,
No one to comfort and the heart sustain.

Millions would die in unfor-given sin,
With none to bring the lost and straying in;
Yea, this great universe would melt away,
If God forgot the world for just one day.

JAYCETTS SPONSOR ACCEPTION

Whitesburg Jaycetts sponsored a reception at the city Hall for the Juniors and Seniors following their banquet on May 13th. The color scheme of blue and white and the theme "Hitch Your Wagon To A Star" was carried out in decorations of the hall. Jack Taylor and his orchestra furnished music. Teachers and parents were also present. Refreshments were served.

GOLDEN MOON

—by James Allan Snell—
Whitesburg, Ky.

The moon is a-shining, a-shining tonight
Always giving a beautiful light,

The wind is a-blowing, a-blowing mighty strong
The leaves they rustle, singing a song.

The tune is pretty if you hear it just right
So Golden Moon, keep shining bright.

The moon is a-shining, a-shining tonight
The sky is clear, the stars are light.

Here comes a cloud, it's moving very fast
Old man moon, is hidden at last.

Now the cloud has drifted by, and the moon is back again
But he won't shine forever, because he's getting dim.

So, the moon has reached the hilltop, the hilltop so high
That its lofty peaks seem to touch the sky,

Old moon, you're slowly fading in a crystal sky
And daybreak is nearing, as the hours slip by.

Now another day is dawning, in the heavens so high
But the sun will shine brightly as the day passes by.

Oh, the day has come and gone, and the sun has slipped away
It slipped far over the mountain, over there to stay,

As the sky gets darker, and the stars shine light
The moon behind the hill, peeps into sight.

Now Golden Moon keep rising, a-shining every night
Always giving, a beautiful light.

PICKED UP IN PASSING

by James Taylor Adams
WHITTILER OF HADERKERS BRANCH

In the forenoon of July 17, 1941, Pat Addington, my upstream neighbor, climbed my front steps and eased himself into a chair. We talked of the hot weather and neighborhood happenings before we finally got around to whittling.

Pat was making shavings roll from a poplar stick; and that, maybe, is what turned

the conversation to whittling, at (Dealer's name).

"Old Jim Chizenhall was the whittlest man I ever seed," said Pat, "and I've seed a lot of fellows who were good at it."

"Chizenhall, as everybody called him, being he was the only man of the name in this part of the country, came to Beaver Dam Fork, when he was quite a young man, and settled on Haderkers Branch."

"Chizenhall would whittle on anything, anywhere; particularly if you got him excited a little."

"One day, I remember, we'd all congregated at Jimmy Day's store to see the new wagon Jimmy had brought in from Norton. Hit was the first wagon ever brought to Beaver Dam; and, of course, hit was a show to everybody."

"Jimmy's wagon had a bright, shiney red bed on it; and everybody was gawking at it."

"Somebody said they seed Chizenhall acoming; and, sure enough, we looked up the road, and there he came."

"One of the fellows spoke up and said that he'd bet five

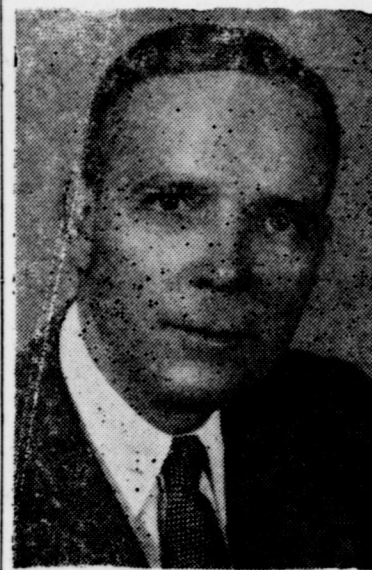

dollars he could have Chizenhall whittling on Jimmy's new wagon bed in less than thirty minutes. Another fellow took up the bet; and when Chizenhall arrived, the fellow who had bet he could have him whittling on the wagon bed, got to telling some big tale, all the time maneuvering Chizenhall back towards the wagon. At last Chizenhall was backed right up against the wagon; and he just out with his big daddy barlow pocket-knife and started making the shavings fly. Don't know how hit would have turned out if somebody had not hollered at him. I've heard it said that Jimmy Day charged him ten dollars for the damage, but I don't know if that's the truth or not."

"Many is the time I've seed Chizenhall come into somebody's house; sit down and get to talking; and, all at once, he draw his knife and start cutting notches on the back of the brandnew chair he was a sitting in."

CARD OF THANKS

We would like to take this means of thanking each and every one for the kindness shown to us during the illness and death of our beloved husband and father (Herbert Hughes). We thank those who brought flowers, and food and to the nurses and doctors of Seco, and Pikeville Hospital. To each and every one who came to our aid in our hour of sorrow, we will never forget you. May God richly bless everyone, and someday will understand why we must give up our love ones.

Mrs. Herbert Hughes & Family.

G. A. Price

Gwilyn A. Price, president of Westinghouse Electric Corporation, will be the principal speaker at Commencement exercises for the graduating class at Transylvania College here at 10 a.m. Monday, June 7, it was announced yesterday by Transylvania President Frank A. Rose.

Approximately 50 Transylvania seniors will receive their bachelor of arts degrees at the exercises, which will be held in the historic chapel of Morrison College. Transylvania's Greek-Revival administration building. Dr. Rose will preside, and Dean L. A. Brown will present the candidates for degrees.

Six honorary degrees will be awarded at the commencement. The honorary D. D. degree will go to three Louisville Ministers, the Rev. Paul Stauffer, pastor of the First Christian church; the Rev. Thomas Giltner, pastor of Douglass Boulevard Christian church, and the Rev. Walter Lawrensen, pastor of the Beargrass Christian church. Receiving the LL. D. degree will be R. M. Watt, president of the Kentucky Utilities Company, Lexington; Clinton M. Harbison, Lexington attorney, and Dyke Hazelrigg, Frankfort attorney.

Mr. Price, who was elected president of the Westinghouse Corporation in January, 1946, at the age of 50, joined the staff of the organization as vice president in September, 1943, and served as executive vice president from May, 1945, until his election as chief executive officers of the company.

Prior to his election as an officer of Westinghouse, Mr. Price had been president of the Peoples-Pittsburgh Trust Company of Pittsburgh (now Peoples First National Bank and Trust Company), since January, 1940. He had served as a trust officer of that company since 1923, as a vice president since 1930, and as vice president in charge of trusts since 1937.

Born of Welsh ancestry in Canonsburg, Pa., on June 20, 1895, Mr. Price attended school in New Kensington and Carnegie, Pa. He was graduated from the University of Pittsburgh Law School in 1917, and enlisted that same year as a private in the Army. He rose to a captaincy, commanding the 302nd Heavy Tank Battalion, which served overseas.

After World War I, Mr. Price returned to the practice of law with the firm which he had served as a clerk while attending law school. In 1920 he became an assistant trust officer of the Pittsburgh Trust Company. In 1923 and 1924 he was a member of the Pennsylvania State Legislature.

He is a trustee of the Committee for Economic Development; of the Carnegie Institute of Pittsburgh (also a member of the Executive Committee which is the governing body for the Carnegie Institute of Technology); the Carnegie Corporation of New York; the Elizabeth Steel Magee Hospital; Allegheny College; the Pittsburgh Y.M.C.A.

A director of several firms, Mr. Price also is a member of the Massachusetts Institute of Technology Corporation, a member of the Business Advisory Council for the United States Department of Commerce; a board member of the National Industrial Conference Board; president and

director of the Zoar Home, and president of the Electrical Manufacturers Club.

Mr. Price has received the honorary degree of doctor of laws from the University of Pittsburgh and from Allegheny College; the honorary degree of doctor of engineering from Stevens Institute of Technology; the annual award of the Western Pennsylvania Chapter of the Society of Industrial Realtors; and the medal for advancement of research, which was presented to Westinghouse by the American Society for Metals in recognition of the company's achievements in metallurgy.

JUNE PROCLAIMED DAIRY MONTH

Governor Wetherby proclaimed next month as "June Dairy Month in Kentucky" and called on Kentuckians to lend aid and support to the movement.

"Kentucky has an economy directly based on the level of income from production and sale of products of the farm," according to the Governor and dairying is a major contributing factor to farm income in the State.

"The health of our youth and our adults, who constitute our citizenry, is directly benefited by the use of wholesome diets containing milk and other dairy products and through the abundance of our pastures and meadows, a maximum dairy production is normal in June."

Commissioner of Agriculture Ben S. Adams is chairman of the June Dairy Month Committee, created to promote the increased use of dairy products.

"WHAT'S GOING ON"

In the May 6, 1954 edition of The Mountain Eagle appeared an article concerning the condition of our High School and made mention of the sewer system being inadequate. This writer knows nothing about the latter situation but the school, I do.

The article would lead us to believe in order for our young people to absorb education they must be housed in splendor. Luxury is preferable—if it can be afforded.

The Observer should take a look around the county. There are many rural schools that need the necessities. Money for maps, supplementary reading, work books, recreation equipment, mimeograph machines, etc., has to be raised from the community. I had the privilege of teaching at Whiteco before entering the Navy, to get the school painted our Principal, Mr. John Preston, organized a pie supper which brought in enough to pay for the painting. If not for the support given by the people of that community and Mr. Preston it might well be unpainted today and doing with-

West Point, N. Y. — Cadet Sgt. James D. Chandler, 21, son of Mrs. Myrtle B. Chandler, Burdine, Ky., is among the First Classmen (seniors) at the United States Military Academy, West Point, N. Y., who will graduate on June 8th.

Upon graduation he will receive a bachelor of science degree and will be commissioned a second lieutenant in the Corps of Engineers.

While at West Point, Cadet Chandler has been active in the Fishing Club, the German Club, the Pistol Club and the Weight Lifting Club.

A 1950 graduate of Jenkins (Ky.) High School, he was appointed to the academy by Rep. Carl D. Perkins of Kentucky's Seventh Congressional District.

Fort Bragg, N. C., May 18, 1954

THE BIG MOMENT—Ready to make a parachute jump with the famed 82nd Airborne Division at Fort Bragg, N. C., is Private James H. Gray, son of Mr. David Gray of Kona, Ky. Pvt. Gray wears his main parachute on his back, his reserve parachute and combat pack (front). The jump, James's fifth from a C-119 aircraft, marks the end of three weeks of intensive physical and technical training and will qualify him as a paratrooper. He is a rifleman in the 504th Airborne Infantry Regiment, a unit of the 82nd Airborne Division, "America's Guard of Honor."

out useful teaching aids. The money for construction of a new W.H.S. could remodel the old one, brighten many small schools and increase the overall effectiveness of our school system.

Reading that article the first thought to strike was, WHAT WILL BE DONE WITH THE OLD? More reasonable solution would be another wing added to the Graded School. I don't recall teachers complaining of being hindered in their work by the building when I was there. Low pay seemed the main problem.

I agree with a fine faculty but to call W.H.S. a RAT NEST! When I was there I saw no rats, in fact it was well cared for. The old alibi, NO MONEY, rings true and clear through our section at present. Let's be progressive, YES. Not wild. As for electing new County Board of Education member—the ones that attend meetings seem sincere. You might rid the county of those that are always trying to disrupt business by failing to show.

The schools built recently in our county were long overdue

and conditions made them necessary, not as show places. I live in Whitesburg and would like to see new buildings for THE HILL but the school children in huts, scattered around pot-bellied stoves studying throughout the county must not be forgotten.

If our purpose is to prepare young people for tomorrow

let us broaden the curriculum today.

PARENTS ARE TO BLAME
for the trouble of our children
of this generation. While all
parents are not failures in
giving children to our present
world, neither are all child-
ren bad. But there are mil-
lions who give nothing good
to our world.

Let us examine a Sunday
morning. Many of the fam-
ilies get up fighting, bick-
ering, and arguing about where
they will go for the day. Some
want to go fishing, some pic-
nicking, some swimming, oth-
ers want to get out with the
fellows, and have a day of
rowdiness.

Where does the church come
in? One of the little girls
says to her parents, "I want
to go to church today. My
teacher will be expecting me
for Sunday School." The
answer as likely as not will
be, "What church do you go
to?" Many parents have not
been interested enough in
the religion of their homes,
nor their children to even
know where their children go
to church, if they do go at all.
The parents are likely to say,
"The answer is NO. We do
not have time to go to church
today."

Children grow up in that
kind of training. Then when
they are brought before the
courts, the parents blame
someone else for the fall of
their children. The blame is
in the parents themselves.
Religion and honest living
begins, or it may not begin at
all.

There is an answer for that
kind of poor living, and that
answer is that PARENTS
SHOULD TAKE THEIR
CHILDREN TO CHURCH
EVERY TIME THE DOOR
IS OPENED. Not just for a
"Big time," for themselves,
but for the purpose of train-
ing their children in the
Christian ways of life.

One of our most dangerous
things that is now happening
to children comes when par-
ents "Send them" to Sunday
School, and tell them to come
back home as soon as Sunday
School is over. They should
stay for the worship at their
church with their parents.

It is so easy for children
to say, "I don't like to go to
the preaching service." They
are saying nothing new. They
likely heard their parents say
that, and are only repeating
after them.

God puts the responsibility
squarely up to the PARENTS.
"Bring the child up in the
way HE SHOULD go, and
when he is old, he will not
depart from it." There is no
argument there. This is God
speaking. If the child fails
when he has grown up, the
parents have failed while
they were growing up. Time
is far too precious to lose our
children in the corruption of
this day. We should provide
for them the best there is for
them in RELIGIOUS TRAIN-
ING. That training should not
be left to "Just anybody that
comes along," not to the neigh-
bor's children to take them to
the church they attend. There
should be some concern for
the life and religion of the
children.

While parents are to blame
for the failure of their chil-
dren, the church might come
in for some blame for not hav-
ing a CHRISTIAN INTER-
EST in their parents when
they were growing up. We
know people in every com-
munity who never attend
church regularly during their

life-time. Some of them can
claim the most, and yell the
loudest, when trouble strikes
at the heart of their homes.

There is surely a way to
correct this evil, and that way
is for the parents to start
prayer in their homes, and
attend church regularly. There
is a good statement that says:
"The family that prays to-
gether, stays together." One
of the spiritual tragedies of
this day is in the sad and
lonely fact that many children
never hear their parents
pray through their lifetime.
Anybody can live a life like
that, but A Christians should
guide their families in Prayer,
and love for their church.

The Training School on
Sweedish Weaving was well
attended last Friday. Each
leader went home with a huck
towel partly finished and I
have had reports since that
some have been completed.

Some of you ladies may
not have gotten your huck
towel to work on. If not, do
so before your meeting so
you will not be left out.

June 8-12 is 4-H week in
Lexington and there will be
five boys and five girls from
Letcher county attending.
Look next week for the names
of these boys and girls.

Following is the schedule:

Monday, June 7, the Camp-
bell's Branch club will meet
at 10:00. I do not have the
name of the hostess, but am
sure you ladies there know
where to meet.

Also on Monday the Flem-
ing Club will meet at 7:00
E. T. with Mrs. Harlan Worm-
aley and the Whitesburg Club
will meet at 7:00 I have not
been notified on the place of
this meeting either.

On Tuesday, June 8, the
McRoberts club will meet 1:00
E. T. with Mrs. Kathryn
Amburgey.

Thursday, June 10, the
Camp Branch Colson group
will meet at 10:00 with Mrs.
Esba Everidge and the Seco
group will meet at 2:00 E. T.

The Dixon group will meet
Friday, June 11, at 10:00 with
Mrs. Nola H. Back. Naturally
I cannot attend the meetings
which meet while I have to
be in Lexington, but with the
leadership your clubs now
have, you do not need me.

RECIPE OF THE WEEK

June, which has been de-
signated as Dairy Month, is
the time for serving family
and friends with a variety of
milk products. As a main
dish for luncheon or supper,
home economist at the Uni-
versity of Kentucky suggest
this dish which is rich in food
value.

CHEESE CASSEROLE

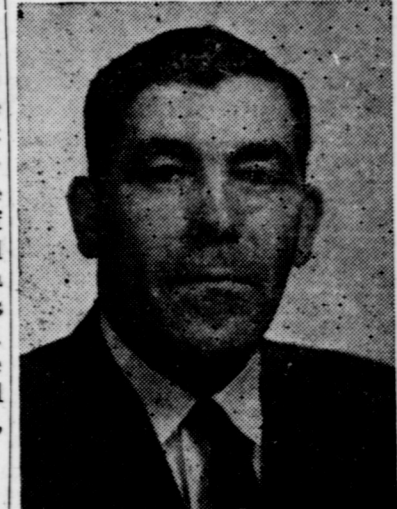

3 T Butter
1 t ground sage
6-8 slices of bread
4 pound medium sharp cheese
3 eggs
3 c milk
1 t salt

Blend the butter and sage
and spread the slices of bread.
Between every two slices,
place a slice of cheese, then
cut the sandwich in four
pieces. Butter a shallow cas-
serole and arrange the pieces
on the bottom and sided. Beat
eggs slightly, add milk and
salt pour over cheese sand-
wiches. Let stand in refrig-
erator over night or for sev-
eral hours. To bake, set dish
in a pan of water in moderate
oven. 350 degrees, for 45 min-
utes or until mixtures is of
custard consistency. Serve hot.

Menu: Cheese casserole,
green beans, perfection salad,
cornsticks, butter and rhu-
barb sauce.

Pine Mountain Baptist Associational Missionary

—By Rev. John R. Isaacs—

Remember, friends, that
the Pine Mountain Associa-
tion Sunday School monthly
meeting is at Leatherwood
on Sunday, June 6, at 3:00
P. M. (E.S.T.). I wonder who
will get the attendance ban-
ner this time.

On Monday, June 10, at
10:00 (E.S.T.) the Executive
Committee of the Pine Moun-
tain Association meets at
Blackey.

We are now in a fine V. B.
School at Colson — I have
from nine to eleven intermed-
iates every day.

Had you rather be on the
outside looking in or on the
inside looking out? Well, it
depends on where you are—
I sure would hate to be on
the inside of hell looking out,
but I sure would like to be
on the inside of heaven.

Now, a little mind-probing
for this week—you are head-
ed for heaven or hell—if you
have the qualities of heaven
in you, then that is where
you will go, but if you raise
hell here, then you will have
the privilege to do that for-
ever in hell if you miss heav-
en.

CRIPPLED CHILDREN
CLINIC COMING

As was stated in the columns of the Mountain Eagle last week—the one-day Crippled Children's Clinic will be held in the Whitesburg Methodist Church on Wednesday, June 23rd, from about 8:30 a.m. until around 3 p.m. or when the Staff finished up.

Any crippled child under the age of 21 yrs. who has a crippling or deforming bone or joint disorder is invited to be there for this one day clinic—all old cases seen before, or new cases who have never seen. All physicians are most cordially invited to send any case they wish seen, and also come in and visit this days clinic at work.

Remember the day-Wednesday-June 23rd, 1954 at the Whitesburg Methodist Church.

X-RAY MOBILE CHEST
CLINIC COMING ALSO.

As we have been fortunate enough in recent past years, the State Mobile Chest X-ray Unit from the Louisville Office, will be here for 4 whole days July 20, 21, 22, & 23rd. (Tuesday, Wednesday, Thursday & Friday of that week in July). This X-ray Unit will set up and stay the whole period of time at the old site at the Courthouse (same as in past years) and will only be here in Whitesburg—not in other Towns, as Jenkins, Neon or Blackey as it has done in the past. Every one over the age of 15 years is cordially invited to have a chest x-ray made; we are particularly interested in getting the mining folks (adults), teachers, all food workers, and those living in close contact to a case of known or suspected Tuberculosis; children of known cases down to a few years of age, will likely be able to get their x-ray done, by a written statement from

their family physician, stating that they live closely to a case of Tuberculosis. Our instructions stated that only High School Seniors should be x-rayed again this year, since they are leaving the schools here, not Freshman, Sophomores or Juniors, unless they failed to be x-rayed last year (1953).

The days again are: Tuesday, Wednesday, Thursday & Friday of July 20, 21, 22 & 23, 1954 at Courthouse—Whitesburg.

NEW RABIES LAW
VACCINATION

The last General Assembly at Frankfort passed a new Vaccination Law pertaining to Canine Rabies which becomes effective on July 1st, 1954. This law states that each and every dog owner must have his dog vaccinated against Rabies (Mad Dog) before said date—July 1st, (1954) or be subject to a fine of \$10.00 to \$100.00, and each day is a separate offense after this date. The Whitesburg Jaycee Club held Dog Clinics in some 6 sites recently and vaccinated hundreds of dogs, but this writer still feels that there are hundreds more that were not vaccinated against Rabies; this law should have been passed years ago, as it is a good law, and every owner should seek this protection anyway, but scores have failed to do so. It is a GOOD Insurance for yourself and family as well as your neighbor. If dog is not already vaccinated for 1954, then by all means set about to get this Vaccination done during month of June; play it safe and don't run the risk of violating the Law. There are many folks who are able to perform this service for you. Get it done at once.

Tuberculosis, Kentucky's number one communicable

disease problem, is found in all age groups but especially in adults. Ninety-four percent of all active cases in Kentucky are over 20 years of age. Only 20 of the 635 deaths from tuberculosis in Kentucky in 1953 were children from one through fourteen.

"It is for this reason that older people, rather than children, should be x-rayed during mass x-ray surveys," P. M. Crawford, M.D., Director of Tuberculosis Control, Kentucky State Department of Health, says.

Tuberculosis in children often occurs in the form of tuberculosis meningitis. In most cases the source of infection is an older person in the family.

To prevent tuberculosis in children, Dr. Crawford added, more cases must be found in adults. After a case of tuberculosis is known, proper methods of home care will help prevent the spread of tuberculosis from one member of a family to another. Hospitalization may be necessary not only for more rapid recovery but to make sure that no other member of the family is infected. Hospital care is strongly advised if there are small children in the household. X-ray clinics will be held in Whitesburg on July 20-23, Inclusive. This service is free.

"If as an adult you detect symptoms of tuberculosis, see your family physician for examination and advice and if tuberculosis shows up, all members of the family including those children under 15 should also have an x-ray," Dr. Crawford stresses.

Public health facilities available to practicing physicians through the local health department include chest x-rays and mailing containers for sputum to be sent to the Kentucky State Department of Health for laboratory ex-

amination.

Additional information about tuberculosis may be obtained from the Letcher County Health Department, Whitesburg, Kentucky.

DEFENSE PLANS SET

Co-ordination of activities of the American Red Cross and the Kentucky Civilian Defense Corps in event of disaster will be effected, according to a statement of understanding reached by Governor Wetherby, Adjutant General Jesse S. Lindsay, Director of Civil Defense for Kentucky, and Mrs. Floyd Wright, Lexington, representing the Red Cross.

Under the pact, Civil Defense will supervise and co-ordinate relief activities with Red Cross co-operation, should the Governor or local authorities declare a natural disaster an emergency, while the Red Cross will carry out its traditional services as a welfare and relief agency.

Civil Defense will be fully in charge of any activities in event of enemy attack and will utilize services of all community agencies, including the Red Cross.

THANKS TO
WOMAN'S CLUB

The Letcher County Library takes this opportunity of thanking the Whitesburg Woman's Club for the generous donation of \$25. This is the second contribution this club has made toward the library. Many thanks are due the club also for their cooperation in many ways to help establish and continue this library project here. With this \$25 donation the librarian will order a second set of books known as for younger children. This set of books is highly recommended for young children and our library could easily use 10 or 15 or any number of sets of these books. They are well bound and fascinating reading.

ALL-STATE CHORAL
CAMP IS SET BY UK

An All-Kentucky Choral Camp for high school students, choral directors and a limited number of college students will be held from June 6 through June 11 under sponsorship of the University of Kentucky's Department of Extension. The affair Florence, Ky. Guest conductor and lecturer will be Dr. Lara Hoggard, former director of Fred Waring's Pennsylvanians. Assisting him will be Miss Mildred Lewis and James King, both of the UK Department of Music. High school students interested in attending the camp should contact the UK Department of Extension at once.

They're waiting for the teacher

... maybe it's you!

Ever think you might make a good teacher?

Ever consider how much satisfaction there is in helping to mold and guide the personalities and futures of young Americans?

Today, you have an unparalleled opportunity to enter one of the finest and most respected professions in the world. It's a profession in which you, yourself, can develop and use your talents to their fullest.

And it's a profession that needs you — because the kids need you.

America's postwar babies have suddenly started

pouring into the schools. In fact, there are so many of them that, today, the elementary schools alone need over 70,000 new teachers a year to handle these children.

By 1960 — with over 8 million more children entering our schools — the need for qualified teachers will be even greater.

So think it over. Think of what it will mean to you — to your community — and to America, when you decide you're going to become a teacher.

The kids, too. They're waiting for you to make up your mind. They're hoping you'll say, "Yes!"

Rev. C. A. Lingle, Jr.
LESSON VERSES: 11 KINGS 14:23-29, AMOS 7:8. (To be read and studied in your Bible.)

Printed Scripture: AMOS 7:10-17; 8:4-8a.

Social morality is of world concern today. We who are Christians feel that if our morality does not make a difference in the way that we live then it is neither important nor valid. To Amos goes the credit for the initial movement toward the application of the Christian moral to life. He was a man of God, rough, outspoken without fear. Under the orders of God he began a crusade against social wrongs that has lasted even until today.

Amos was quick to question the social evils of the day. He spoke against the rich and the poor. It is natural that he was immediately asked to leave town. His answer to those who would drive him away was based upon the Call of God. His was the authority of God, there is none higher.

Amos called attention to the lessons that God had always tried to teach the Children of Israel. God had sent famine, pestilence and even war to punish the Israelites for their practices of Greed and social indulgence. But they had not learned. People have not learned today either. Every Minister and every Christian faces the same problem. Shall he be truthful about the way that his people are living? Shall he show them the hunger and the poverty that is afflicting the world while they are living in plenty and even waste? How many Ministers and Christians have become not messengers of God but Pocket Book protectors of the rich? It is much easier to baptize a man then to consecrate either his pocket book or his natural apathy towards the people who are less fortunate.

THIEVES MAY MAKE 6,000 "VISITS"

WAUSAU, Wis.—More than 6,000 burglaries will take place over the three-day holiday in the United States unless proper precautions are taken by homeowners, apartment dwellers and storekeepers.

This is the estimate of William H. Burhop, president of one of the nation's leading insurance companies.

Protect your house from this fellow over the long holiday week-end.

The average burglary loss will be nearly \$200, he declared. This is a potential loss of \$1,200,000. He warned especially that rural burglaries were up about 15 per cent last year.

Record kept by Employers Mutuals of Wausau show that burglaries increase considerably over three-day holiday periods. Professional and amateur thieves take advantage of carelessness on the part of householders and businessmen. Here are some rules to protect your home and store: Homeowners—Don't leave any outward evidence that you have gone away for the week-end: stop milk and newspaper deliveries; don't pull down the shades; leave an upstairs light burning; lock up securely.

Businessmen—Don't leave money in your store over the long week-end. Deposit any large amounts of cash in your bank's night depository after business hours Saturday.

AVIATION EDUCATION SUBJECT OF SCHOOL

The State Department of Aeronautics today announced an aviation education workshop for teachers is to be offered by the University of Kentucky from 14 to 25.

The workshop will be sponsored by the department in conjunction with the Aviation Operators Association of Kentucky and is to show elementary and secondary teachers how aviation materials can be used in school curricula, according to Commissioner of Aeronautics Charles H. Gattrell.

Workshop activities will include coverage of basic aviation subjects, lectures on social, economic and political aspects of aviation, inspection tours of local installations, flights and work sessions. During work sessions teachers will be separated into grade levels for the purpose of analyzing available data and formulating work plans they can take back to the classroom.

Two graduate or undergraduate credits are to be given for the course. There are no pre-requisites, so that any teacher or person interested in the education movement is eligible for the course.

J. Robert Allen, principal of the Isaac Shelby School, Louisville, is to be in charge of the workshop. Aviation subjects will be taught by representatives of the state and federal governments, the airlines and aviation industry.

Home Economic Class Stuart Robinson School

Stuart Robinson Commencement

Stuart Robinson School held its commencement exercises on May 25th at 10 A.M. in the school auditorium. Twenty-eight grade students and fifty-four high school seniors marched in to "Pomp and Circumstance" by Edgar, played by Barbara May '55.

The prayer of invocation was led by the Reverend Clarence A. Lingle, pastor of the Graham Memorial Presbyterian Church of Whitesburg, Kentucky. Delores Caudill, salutatorian of the class, gave to all a hearty welcome to the graduation exercises and recalled precious memories of high school days. Mr. J. M. Burkich, Principal of Stuart Robinson High School, presented the following awards: Valedictorian—Loretta Mayes Salutatorian—Delores Caudill

Athletics—Dorise Fields Editor of the Annual—Loretta Mayes Mathematics—Ella Faye Adams Commercial—Claudette Breeding English—Genevieve Oliver Home Economics—Jackie Blair

Music—Sadie Nell Whitaker Citizenship—Gurney Norman

The anthem, the One Hundredth Psalm, was given by the glee club from the balcony. Floyd Mullins, president of the senior class, presented to the Reverend W. L. Cooper, Superintendent of S.R.S. a check for almost three hundred dollars to start a fund for the purchase of new curtains for the school auditorium. Mr. Cooper introduced the speaker of the morning, Miss Janie McGaughey, Executive Secretary of the Board of Women's Work of the Presbyterian Church, U.S., Atlanta, Georgia. Miss McGaughey's address was deeply spiritual and dynamically challenging to Christian living. After a vocal solo by Roberto D'Avilla, an S.R. student from Guatemala, Mr. Burkich introduced Mr. Dave L. Craft, Superintendent of Schools for Letcher County, who presented the eighth grade diplomas. Mr. Cooper presented the high school diplomas. Loretta Mayes delivered the valedictory message and after the singing of the Alma Mater, the benediction was pronounced by

Mr. Cooper.

In this year's graduating class, the largest in the history of the school, there were four sets of twins: Norma Jean and Jimmy Hays, Harold and Phillip Adams, Christine and Irene Brown, and Thelma and Velma Campbell. There are also in this class three students who have attended S.R.S. for twelve years. They are Patty Blair, Doris Caudill, and Bill Crase.

This year's class brings the total number of graduates in Stuart Robinson School's forty-year history up to seven hundred sixty-seven. On Sabbath night, May 23rd the baccalaureate service was held. The prelude, "Large" by Handel was played by Barbara May. The call to worship was given by Principal J. M. Burkich. The graduates marched in to "Lead On King Eternal" and while all were still standing the prayer of invocation was given by the Reverend C. D. Wallace, pastor of the Doermann Memorial Presbyterian Church, Blackey, Kentucky, and the "Gloria Patri" was sung. The Reverend Peter Pleune, D.D. pastor emeritus of the Highland Presbyterian Church, Louisville, Kentucky, read the Scripture and preached the sermon. A duet, "O Lord Most

Holy" was sung by Barbara May and Joanne Hubbard '56. The evening prayer was led by Mr. Harvey B. Johnson, teacher of history and coach at S.R.S. An anthem, "Praise we sing to Thee" by Haydn, was sung by the glee club. The benediction was pronounced by the Reverend Bill Ingram, pastor of Presbyterian churches at Haymond and Isom, Kentucky. "For All The Saints" by Barnby was used for the recessional.

Ushers for the commencement and baccalaureate programs were Joan Adams, Willie Haynes, Martha Lee Ison, David Estep, Ivan Blair, and Mary Lou Ison.

VFW Auxiliary Activities

The Dept. of Ky. Encampment will be held in Owensboro, June 24th-27th. Ina Hunsucker and Inez Underwood will represent the Whitesburg Auxiliary.

Auxiliary members will sell poppies in Whitesburg on May 29th, prepare lunch for the VFW boys participating in the Memorial Services on May 30th, and prepare and serve the Jaycees' Installation Banquet on June 5th.

June 6th, at the VFW Post Clubhouse, 2:00 P.M. CST, the

Gold Star Mothers' Tea will be held. Invitations have been mailed to these mothers. The auxiliary has worked very hard to get a complete list of all these mothers. However, it is possible that their list is incomplete. We urge all Gold Star Mothers to attend this tea. We feel sure that they will benefit from visiting with other mothers.

Legislative Chairman, Wanda Hogg, gave a very inspiring talk on "Let's Outlaw Communism". In our failure to officially label the Communist Party for what it is a criminal conspiracy to conquer all free peoples we have nourished a vicious scheme that has only one objective. That goal is to destroy our form of government in the United States by peaceful means if possible and by violence if necessary including those freedoms that we enjoy under the Constitution and Bill of Rights. Since 1924 the Communist have enjoyed the protection of the law and press as same as you and me. Do you as loyal America think this should be so.

The time to deprive conspirators, and the agents of a foreign power, of the right to destroy this country, is long overdue. Positive legislation to outlaw the Communist Party is the only solution to properly combat subversive activities and bring an end to tensions and party strife over existing investigations and methods to ferret out and expose our enemies from within.

The Whitesburg VFW Auxiliary has petitions for you to sign. These petitions ask the congress of the United States to take action to enact legislation declaring the Communist Party in the United States illegal and making membership there in a criminal offense.

This is the time for action by every loyal American citizen. Help keep our country the strong, freedom-loving nation that it is. We must rid our country of those evil ones who seek to destroy it. You can help outlaw Communists. Sign the petition TODAY, NOW.

Today, further mechanization, and the full utilization of every known efficiency, has raised the per-man output of bituminous coal in the U. S. to nearly 8 tons per man per day.
